

Baseline Concussion Testing

Get your player tested BEFORE head injury

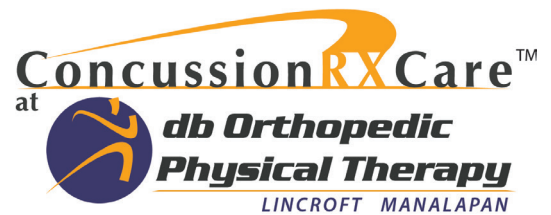

Tues. 8/9/16 12-1:30pm Athletic Center Classrooms
Red Bank Catholic High School Fall Sports Athletes

- Testing determines readiness for return to play.
- Three components tested: Balance, Oculomotor, Neurocognitive
- Only way to truly know if concussed athlete has recovered!
- If your athlete has a suspected head injury, contact our office 24-72hrs after injury for repeat testing.
- Cost of \$39.95 includes all 3 tests and unlimited post head injury testing and interpretation reports to your physician for 1 year.

**BASELINE CONCUSSION TESTING
FOR PLAYERS
10 YEARS AND OLDER.**
